Report on Financial Statements

We have audited the accompanying financial statements of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, and cash flows for the years ended June 30, 2015 and June 30, 2014 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or errors. In making those risk assessments, the audit considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion the financial statements referred to above present fairly, in all material respects, the financial position of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., as of June 30, 2015 and 2014 and the changes in the net assets and its cash flows for the years ended June 30, 2015 and June 30, 2014 in accordance with accounting principles generally accepted in the United States of America

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with the Government Auditing Standards, we have also issued our report dated January 6, 2016 on our consideration of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., internal control over financial reporting, and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of the testing, and not to provide an opinion on internal control over financial reporting or on Government Auditing Standards in considering The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., internal control over financial reporting and compliance.

**NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES**

Nature of Activities

The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc. ("The Pride Center") is a Florida nonprofit public charity incorporated on June 25, 1993. In 2008, The Pride Center purchased property in and relocated to Wilton Manors, Florida. The property includes approximately 38,000 square feet of office and warehouse space located on six acres of land housing its corporate offices and program services. The Pride Center rents office and warehouse space to other non-profit organizations on a short-term and long-term basis.

The Pride Center provides meeting space and other facilities for groups and organizations that fulfill educational, therapeutic, cultural, social, recreational and other needs of the gay and lesbian community of Broward County. The Pride Center strives to foster, create or sponsor programs to fulfill the purposes, as needed specifically by youth, elderly, and minority groups within the LGBT community. The Pride Center's purpose includes improving the quality of life for and enhancing a sense of unity and communication within the LGBT community of Broward County.

The Pride Center's source of funds is primarily from contributions, Federal and Florida grant contracts, fundraising events, membership dues, faculty usage fees and rent.

Basis of Accounting and Presentation

The Pride Center prepares its financial statements in accordance with generally accepted accounting principles and on the accrual basis of accounting. Accordingly, revenues and gains are recognized when earned and expenses, losses and liabilities are recognized when incurred.

Financial statement presentation follows the Financial Accounting Standards Board Accounting Standards Codification (ASC) No. 958, *Not-for-Profit Entities*. Under FASB ASC No. 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributed goods and services are recorded as contributions at their estimated fair value at date of receipt.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2015 & JUNE 30, 2014

Cash and Cash Equivalents

For the purposes of the Statements of Cash Flows, The Pride Center considers certificates of deposit and all unrestricted highly, liquid investments with an initial maturity of three months or less to be cash equivalents.

Grant and Contract Revenue

Grant and contract revenue is recognized when the allowable costs as defined by the individual grant or contract are incurred and/or the unit of service has been provided. Grants receivable at year-end represent allowable expenditures and/or units of service provided which have not yet been reimbursed by the granting agency.

Deferred Revenue

Income received in advance from grants and fundraising events are deferred and recognized over the periods to which the income relates.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles include the use of estimates that affect the financial statements. Accordingly, actual results could vary from the estimates that management uses.

Property, Equipment, and Depreciation

Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Acquisitions of property and equipment in excess of \$500 are capitalized. Depreciation is being calculated by use of the straight-line method over the estimated useful lives of the related assets, which vary from 3- 39 years.

Maintenance and repairs to property and equipment are charged to expense when incurred. Additions and major renewals are capitalized. When assets are retired or otherwise disposed of, the cost or donated value and the related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Services

No amounts have been reflected in the financial statements for donated services. The Pride Center pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist The Pride Center with specific assistance programs, campaign solicitations, and various committee assignments. The Pride Center receives more than 21,000 volunteer hours per year.

Accounting for Long-Lived Assets

The Pride Center records losses on long-lived assets used in operations when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets are less than the assets carrying amount.

YEARS ENDED JUNE 30, 2015 & JUNE 30, 2014

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions.

When a restriction expires, temporarily restricted net assets are transferred to unrestricted net assets. The Organization uses the allowance method to determine the estimated unconditional promises receivable that are doubtful of collection. The allowance is based on prior years' experience and management's analysis of specific promises made. Promises to give, less an allowance for uncollectible amounts, are discounted to reflect the time value of money.

Income Taxes

The Pride Center is a nonprofit organization exempt from federal income taxes under Internal Revenue Code Section 501(c) (3). However, if income from certain activities not directly related to the Organization's tax-exempt purpose were received, it would be subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). The Organizations' tax returns for the years 2011-2015 remain open to Internal Revenue Service's Audit. Accordingly, no provision for federal income taxes has been made.

NOTE 2 - FACILITY RENTAL INCOME

The Pride Center offers office and operating space to unrelated non-profit entities in its 2040 Dixie Highway buildings located in Wilton Manors, Florida.

Five lease agreements have been entered into one in 2008, one in 2012, one in 2013, and one in 2014 and two in 2015. Terms for five of the leases include additional one-year renewal options, and one lease has a full term of ten years through 2018. All leases provide cost of living or annual percentage rental increases.

Future minimum payments to be received under these non-cancelable lease agreements for the next five years are as follows:

FY Years Ended June 30th:

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: *Level 1* inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; *Level 2* inputs consist of other than quoted prices included within Level 1 that are observable for the investments, either directly or indirectly; and *Level 3* inputs that are unobservable inputs for the investments and have the lowest priority. The Pride Center uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Unrestricted investment income at June 30th consists of:

	Year ended 2015	Year ended 2014
Interest	\$ 938	\$ 776

NOTE 4 - COMMUNITY FOUNDATION, GRANT AND DESIGNATED FUNDS

The Pride Center has entered into two grant and agency endowment agreements with the Community Foundation of Broward, Inc. ("Foundation"). The agreement entered into on December 1, 2000 between the Foundation and Gilbert Corwin ("Donor") created the fund *"Gay and Lesbian Community Center of South Florida Fund"*. The second agreement, entered into on February 25, 2002 created the fund *"GLCC Unrestricted Endowment Fund"* and is referred to by the Foundation as the Kresge Challenge.

Additional contributions may be made to these two Funds at any time. Contributions are considered permanent and are held and administered solely by the Foundation and therefore are classified as a Permanently Restricted Fund of the Foundation. All contributions come from third parties and the Foundation recognizes the value of gifts received as assets and contribution revenue. It is the general policy of the Foundation to make distributions of investment income from these funds at least annually to the Pride Center. These distributions are unrestricted as to their use. In 2015 and 2014, The Pride Center received \$25,812 and \$25,270, respectively from the Funds and the fund balance (in both Funds as recorded by the Foundation) at June 30, 2015 and 2014 was \$534,562 and \$563,125, respectively.

NOTE 5 - PROPERTY AND EQUIPMENT

State of Florida

The Pride Center's Health and Community Services Program (HCSP) provides HIV Prevention Services for MSM that may be at high risk of acquiring or transmitting HIV infection regardless of race or ethnicity. The objectives are to decrease risk behavior and to reduce transmission of HIV/STD through individual risk-reduction planning and reducing barriers to successful behavioral change. To accomplish these objectives, The Pride Center's Health and Community Services Program utilizes Counseling Testing and Referral Services (CTR), to reach the high-risk segment of the MSM population.

The Pride Center has entered into five (5) contracts with the State of Florida, Department of Health: BW262, BW373, BW380, BW381 AND BW459. The major program goals are to prevent spread of HIV infection, enhance HIV/AIDS awareness, HIV minority testing and teach risk-reduction methods as defined in the contract

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of The Pride Center at Equality Park and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

INTERNAL CONTROLS
AND
COMPLIANCE

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors of the Pride Center at Equality Park
Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.
Wilton Manors, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., as of and for the years ended June 30, 2015 and June 30, 2014 and the related notes to the financial statements, which collectively comprise The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc. basic financial statements, and have issued our report thereon dated January 6, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditors' Report on Compliance for each Major Program and on Internal Control
over Compliance Required by OMB Circular A-133**

Board of Directors of the Pride Center at Equality Park
Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.
Wilton Manors, Florida

Report on Compliance for Each Major Federal Program

We have audited The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc. compliance with the types of compliance requirements described in the OMB circular A-133 Compliance Supplement that could have a direct and material effect on each of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s major federal programs for the years ended June 30, 2015 and June 30, 2014. The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc. major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the years ended June 30, 2015 and June 30, 2014.

Report on Internal Control over Compliance

Management of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above.

In planning and performing our audit of compliance, we considered The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s, internal control over compliance with the types of requirements that could have a direct material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances and for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allot management or employees, in the normal course of performing their assigned functions, the ability to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program in a timely basis.

A material weakness in internal control over compliance is a deficiency, or combinations of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiency's, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weakness. However, material weakness may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of The Pride Center at Equality Park, Gay & Lesbian Community Center of Greater Fort Lauderdale, Inc., as of and for the years ended June 30, 2015 and June 30, 2014 and have issued our report thereon dated January 6, 2016, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of the management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.
