VITAS® Healthcare Creates Safe Spaces to Support the LGBTQ+ Community

At VITAS, we've proudly stood as advocates and active supporters of the LGBTQ+ community in South Florida for over four decades. Our commitment goes beyond mere words—it's reflected in our actions, ensuring that every individual receives the care and respect they deserve.

By educating our care teams to understand and honor the unique needs of LGBTQ+ patients, we've cultivated an environment of acceptance and inclusivity that fosters relationships built on trust and compassion.

Our clinical teams specialize in symptom and pain management, providing personalized care tailored to the needs of each patient. We understand that exceptional care goes beyond the physical, which is why our chaplains and social workers offer psychosocial support, aiding patients emotionally and spiritually throughout their journey.

VITAS is more than a hospice care provider; we're a community that celebrates diversity, champions equality, and offers unwavering support. Our commitment to the LGBTQ+ community is an extension of our mission to provide the highest quality of care to everyone we serve.

A Word From...

Robert Boo

CHIEF EXECUTIVE OFFICER

On behalf of the Board of Directors and staff, warm greetings and heartfelt welcome to the 14th Annual Active Aging Health Expo, a celebration that resonates even more profoundly as we commemorate the 30th anniversary of The Pride Center. We are thrilled to extend our arms wide to embrace you as we embark on this remarkable journey of health, vitality, and community.

As we gather for the Active Aging Health Expo, we are not only marking another year of inspiring health-focused conversations, connections, and discoveries but also rejoicing in the incredible legacy of The Pride Center. For three decades, we have been an unwavering beacon of empowerment, support, and inclusivity for the LGBTQ+ communities. Through our collective efforts, we have carved spaces where diversity is cherished, and individuals are celebrated for who they are. This event stands as a testament to our commitment to enhancing the lives of our community members as they age gracefully and actively.

Our Expo offers a myriad of opportunities to explore insights on health, engage with experts in various fields, and connect with fellow participants who share similar aspirations for a fulfilling and vibrant life.

As we revel in this landmark year, let us not only celebrate how far we have come but also recommit ourselves to the journey ahead. Together, we can continue to foster an environment where individuals of all backgrounds are valued, and where aging is an opportunity for growth, learning, and fulfillment.

On behalf of The Pride Center, I extend my deepest gratitude to our sponsors, partners, volunteers, and each person who has contributed to the success of this event and the growth of our organization. Your unwavering support has been instrumental in realizing our vision of a healthier, happier, and more inclusive society. May the 14th Annual Active Aging Health Expo be a source of inspiration, knowledge, and connection for us all.

**Thank you for participating in this year's Active Aging Health Expo
and for supporting your Pride Center.**

HPAC Lab

University of Miami

The Health Promotion And Care (HPAC) Lab is a Psychology Research Lab at the University of Miami with a current focus of studying HIV prevention and treatment.

Interested in joining a study? Contact us at (305) 243-3508 or complete the form using the QR code.

CHARM

Gathering information that helps us better understand the health and needs of the community. There is also a check-off option if you would like to be contacted about participation in ongoing research projects. This one-time online survey takes less than 8 minutes and does not include monetary compensation.

SMASH

One-time online survey for HIV-negative or HIV status unknown sexual minority men between the ages of 55-80. Participants are compensated \$35 for participation.

LIFESTEPS

A research study for men who have sex with men and are prescribed PrEP (pre-exposure prophylaxis). This fully online study tests different interventions for PrEP adherence. Compensation up to \$380 over 18 months.

Hope

Changes Everything

Improving the quality of life for older adults and medically compromised individuals who experience emotional or substance use disorders is the goal of the **Hope Program** at Fort Lauderdale Behavioral Health Center.

FORT LAUDERDALE
BEHAVIORAL
HEALTH CENTER

5757 North Dixie Highway
Oakland Park, FL 33334

Physicians are on the medical staff of Fort Lauderdale Behavioral Health Center, but, with limited exceptions, are independent practitioners who are not employees or agents of Fort Lauderdale Behavioral Health Center. The facility shall not be liable for actions or treatments provided by physicians. Model representations of real patients are shown. For language assistance, disability accommodations and the nondiscrimination notice, visit our website. 232037-2538 9/23

I'm here to help you navigate Medicare in Broward County

Get the answers you need and the support you want

If you're new to Medicare or have some questions, I'm here to help you make sense of it all. Reach out to me for personalized support throughout the process, from learning about your Medicare Advantage (MA) plan options to enrolling in the right plan for you. I even offer house calls, bringing info and answers into the comfort of your home. Together, we can:

- Look through MA plans specific to your area
 - Meet at your home, my office or over the phone
 - Find out which providers are in-network for the plans you may be interested in
- It's more than healthcare—it's human care.
